your  
money  
matters

## Budget

Making the most of earnings by understanding pay, benefits and other income.  
*Making sure your earnings add up by understanding other ways of maximising your income.*

## Rainy Day

Saving for future goals such as Christmas, a holiday, new appliances.  
*Figure out a formula to save for the things that are important to you by monitoring money and controlling a savings account.*

## Avoid Arrears

Borrowing can enable essential purchases, but needs to be affordable and right.  
*Solve ways of borrowing the right amount of money that will allow you to make important purchases without getting into difficulty.*

## Spend

Be sure you are getting good value with everyday and big purchases.  
*Calculate your spending by bringing a budget into the equation and learning how to buy things of equal value for a fraction of the price.*

## Security

Taking away risk in your financial situation, emergency saving and insurance.  
*Take away the risks surrounding finance by working out how much you've got and how to prepare for a money emergency.*
